

## **Be an Adventurer!**

Looking for something fun to do with your children? In addition to the variety of guided walk & talks and other programs BHHT has scheduled, we are providing a new "Passport to the Trails" program to encourage children and their families to explore the outdoors together.

On 10 of our trails there is a letterbox somewhere along the trail with a unique stamp and ink pad inside. When children find the letterbox, they stamp their site passport.

Passports are available at the Blue Hill Heritage Trust office, the Blue Hill Library, and the Blue Hill Peninsula Chamber of Commerce.

When children fill the passport with at least 8 stamps, they can bring it in to the BHHT office to claim their explorer certificate.

Our passport program was modeled after the Island Heritage Trust's passport. Thanks to Penny Ricker for creating the nature stamps, to Ken Burgess for building and installing the letterboxes, to Hawkes & Quirk, LLC for sponsoring printing of the passports, and to the Outreach Committee for coordinating this program.
