

The Murphy Trail is a flat, wide trail of packed gravel. It is easy terrain, without roots, rocks, or other obstacles, and is very friendly for strollers, wheelchairs, and kids bikes.

About the John Murphy Trail

Generously Underwritten by the Clements Family Foundation, AARP, and L.L. Bean, the 0.25-mile Murphy Trail is dedicated to former board member and Treasurer John Murphy who passed away while this project was underway. It offers easy walking through the lovely woods near the heart of Blue Hill.
