Penny’s Preserve Trails

1. North Loop: 0.8 Miles. E-M. Access from Brookside Trail. Great exposure of granite and lichens.
2. Quarry Loop: 0.6 Miles. M. Views of historic granite quarry.
3. Eastside Trail: 0.4 Miles. E. Lovely stroll with glacial erratics in a spruce-fir woodland.
4. Westside Trail: 0.6 Miles. E-M. Most direct route to Peters Brook waterfall.
5. Brookside Trail: 0.3 Miles. E. Traverses south side of Peters Brook.

About Penny’s Preserve

A gift from Rich Storck and Aletha Langham, in 2018, Penny’s Preserve has several loop trails built by Rich over 15 summers. They wind through a beautiful moss-filled forest and by one of the peninsula’s historic granite quarries. At the north end of the preserve, there is a view out over Albion Meadow.
