

## About Peters Brook & Penny's Preserve

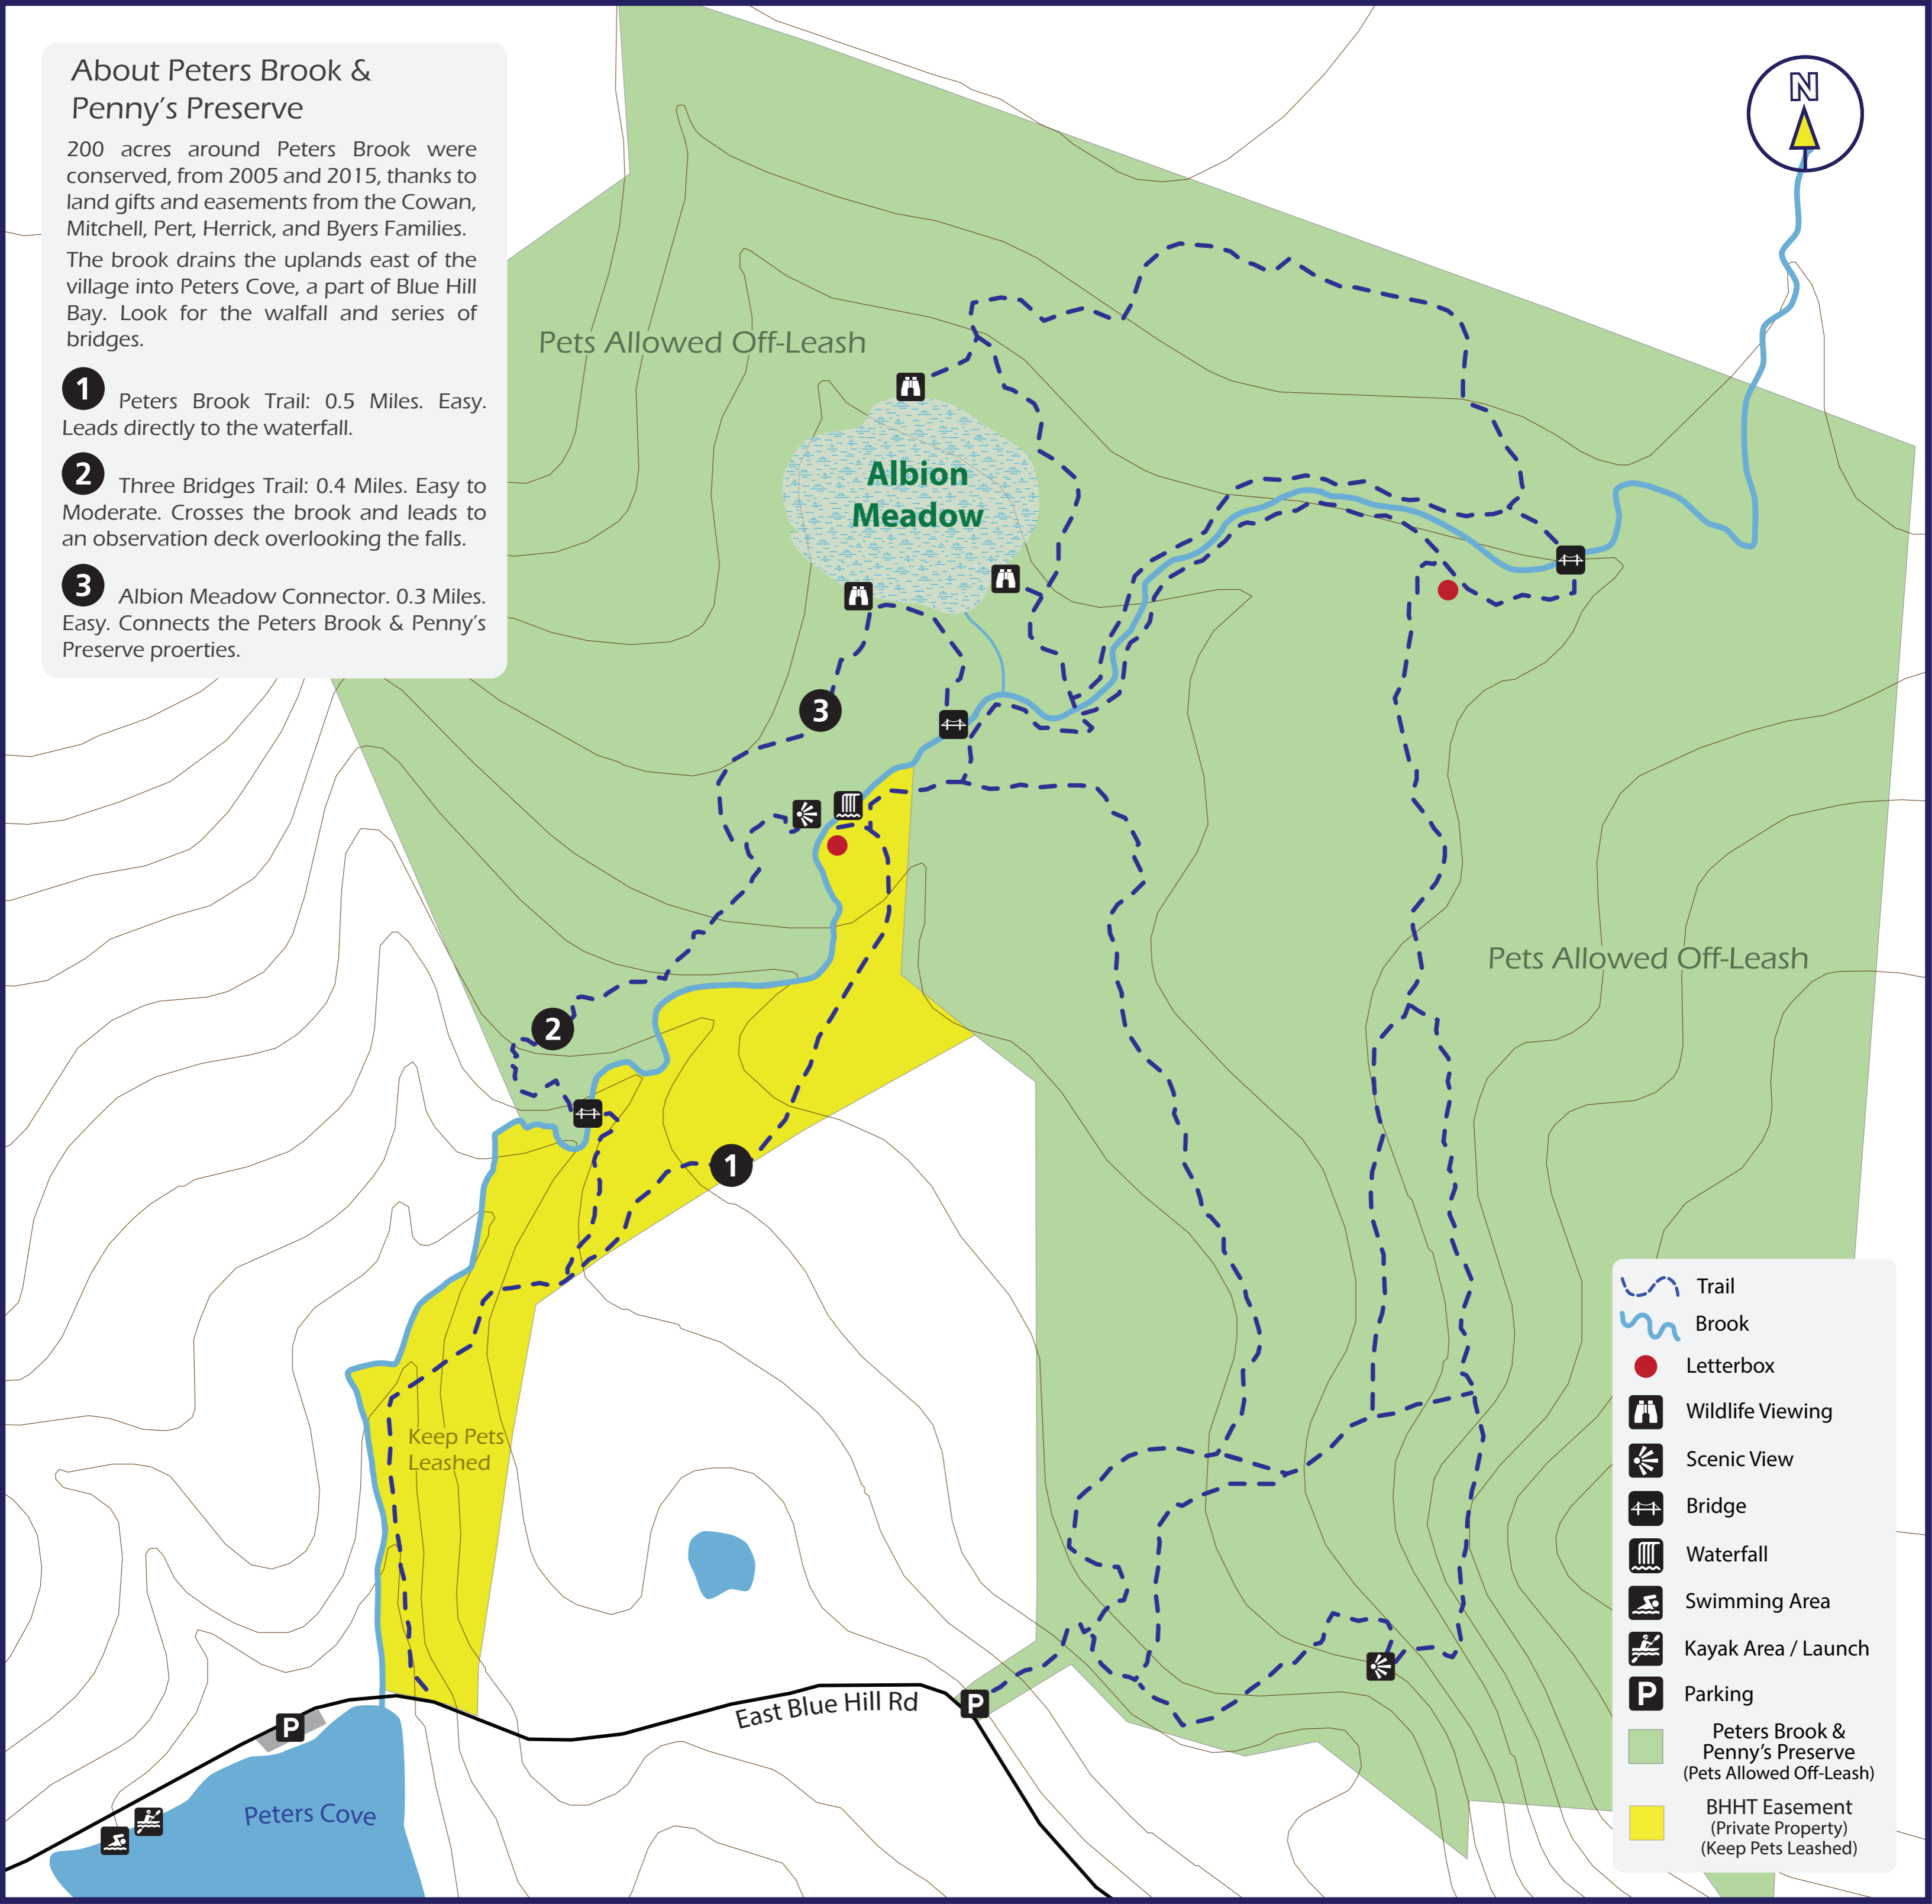

200 acres around Peters Brook were conserved, from 2005 and 2015, thanks to land gifts and easements from the Cowan, Mitchell, Pert, Herrick, and Byers Families.

The brook drains the uplands east of the village into Peters Cove, a part of Blue Hill Bay. Look for the waterfall and series of bridges.

**1** Peters Brook Trail: 0.5 Miles. Easy. Leads directly to the waterfall.

**2** Three Bridges Trail: 0.4 Miles. Easy to Moderate. Crosses the brook and leads to an observation deck overlooking the falls.

**3** Albion Meadow Connector. 0.3 Miles. Easy. Connects the Peters Brook & Penny's Preserve proerties.
